

Load Line Marine continues fleet expansion

George Souravlas-led Load Line Marine continues fleet expansion course.

Greek Load Line Marine has increased its fleet to 10 dry bulk carriers. Greek Load Line Marine bought 2001 built handymax dry bulk carrier 48K M/V Fighter (ex M/V New Glory) from Greek shipowner Transmar Shipping. Greek Load Line Marine bought 2001 built supramax 52K M/V Challenger (ex M/V New Spirit).

Load Line Marine's fleet which comprises handy sizes, handymaxes and supramaxes built between 2001 and 2013.

Load Line Marine's fleet boosting to a total 12 ships after latest acquisitions.
